ENGAGEMENT LETTER

PLEASE SIGN AND RETURN WITH YOUR TAX ORGANIZER

In accordance with standards established by the American Institute of Certified Public Accountants to ensure a mutual understanding, it is necessary to set forth our understanding of the terms and objectives of our relationship, and to clarify the nature and extent of the tax services to be provided.

Engagement Objective and Scope

We will prepare your 2021 federal and resident state income tax returns from information that you will furnish to us. Should your Organizer indicate a gift tax return filing requirement, we will prepare the gift tax return(s). We will prepare your non-resident state income tax returns based upon your filing requirements as reflected in your income tax returns for last year. If we determine that your filing requirements have changed, you will be notified. This engagement pertains only to the 2021 tax year. Our responsibilities do not include preparation of any other tax returns that may be due to any taxing authority.

We will not prepare any tax returns except those identified above, without your express consent, and our consent to do so. We will prepare your tax returns based upon information and representations that you provide to us. We have not been engaged to and will not prepare financial statements. We will not audit or otherwise verify the data you submit to us, although we may ask you to clarify certain information.

We will prepare the above referenced tax returns solely for filing with the Internal Revenue Service (IRS) and state and local tax authorities as identified above. Our work is not intended to benefit or influence any third party, either to obtain credit or for any other purpose.

You agree to indemnify and hold us harmless with respect to any and all claims arising from the use of the tax returns for any purpose other than filing with the IRS and state and local tax authorities regardless of the nature of the claim, including the negligence of any party.

Our engagement in connection with the preparation of your income tax returns does not include any procedures designed to discover errors, misrepresentations, fraud, theft, illegal acts, defalcations or other irregularities, should any exist, and you agree that we have no responsibility to do so. Therefore, our engagement cannot be relied upon to disclose such matters. In addition, we are not responsible for identifying or communicating deficiencies in your internal controls. You are responsible for developing and implementing internal controls applicable to your operations. However, we will inform you of any such acts that come to our attention, unless they are clearly inconsequential. If we discover information that affects your prior-year tax returns, we will make you aware of the facts. However, we cannot be responsible for identifying all items that may affect prior-year returns. If you become aware of such information during the year, please contact us to discuss the best resolution of the issue.

In preparing your tax return, a staff person will assemble the initial data from the documents you provide to us. Other staff personnel may contact you to obtain additional information.

This engagement is limited to the professional services outlined above.

CPA Firm Responsibilities

Unless otherwise noted, we will perform our services in accordance with the Statements on Standards for Tax Services issued by the American Institute of Certified Public Accountants and U.S. Treasury Department Circular 230. It is our duty to perform services with the same standard of care that a reasonable tax preparer would exercise in this type of engagement. It is your responsibility to safeguard your assets and maintain accurate records pertaining to transactions. We will not hold your property in trust for you, or otherwise accept fiduciary duties in the performance of the engagement.

We will prepare your tax returns based upon your filing status as reflected in your income tax returns for last year. If your filing status has changed, you wish to change your filing status, or you have questions about your filing status, please indicate this in your Organizer.

Confidentiality: If the tax returns prepared in connection with this engagement are filed using the married filing jointly filing status, both spouses are deemed to be clients of the firm under the terms of this Agreement. Both individuals acknowledge that there is no expectation of privacy from the other concerning our services in connection with this Agreement. We are at liberty to share with either of you, without prior consent of the other, documents and other information concerning this preparation of your tax returns. You also acknowledge that unless we are notified otherwise in advance and in writing, we may construe an instruction from either of you to be an instruction on your joint behalf. Absent a contrary written instruction in the future, from either or both of you, we will communicate with either or both of you at the address on your 2021 federal return.

Bookkeeping assistance: Should you provide us a copy of the data-file for an existing QuickBooks or other computerized ledger, we will review the file you maintain, make inquiries and/or recommendations for any issue(s) that are discovered or has/have been indicated as existing. These inquiries will be to determine the proper handling of an item, and the recommendations may include correcting journal entries, reclassification of entries, suggested training, or changes in QuickBooks lists, preferences, or other features. Depending on the agreed upon procedure, we will provide, execute and/or implement the recommendations. To the extent we render any accounting and/or bookkeeping assistance, it will be limited to those tasks we deem necessary for the preparation of the returns and billed at our hourly rates. These services will be performed in accordance with the AICPA Code of Professional Conduct. Additional charges will apply for such services.

Prior year review: Our review of the prior year's return will necessarily be limited and may not find all errors, discrepancies, miscommunications or oversights. We will bring these matters to your attention and discuss with you your options and address any other matters arising as a result of any error, discrepancies, miscommunications or oversights. Should amended tax returns be prepared, there may be additional charges for these services, subject to the reason and cause of the error

Estimated tax payments: You may be required to make quarterly estimated tax payments. We will calculate these payments for the 2022 tax year based upon the information you provide to prepare your 2021 tax returns (the "safe harbor" method) and we have no obligation to update recommended payments after the engagement is completed. If you request that we project your payments to more closely reflect your actual current year's income and/or withholdings, or if you later ask us to update or review your estimated tax payments to more closely reflect your actual current year's income, that service is not within the scope of this engagement and additional charges will apply for such services.

Tax planning services: Our engagement does not include tax planning services. During the course of preparing the tax returns identified above, we may bring to your attention potential tax savings strategies for you to consider as a possible means of reducing your taxes in subsequent tax years. However, we have no responsibility to do so, and will take no action with respect to such recommendations, as the responsibility for implementation remains with you, the taxpayer. If you ask us to provide tax planning services, or if we customarily provide tax planning, we will handle that as a separate engagement.

Government inquiries: This engagement does not include responding to any governmental agency or tax authority, nor **does it include making inquiries of any governmental agency or tax authority on your behalf, such as the status of a refund or determining why a refund has not been issued.** Should you receive an inquiry, you may request that we assist you in responding to such inquiry. Your returns may be selected for examination by the taxing authorities. Any proposed adjustments are subject to certain rights of appeal. If your tax return is selected for examination or audit, you may request that we assist you or represent you. In the event of such examination, audit, inquiry, or proposed adjustment, we will be available upon request to represent you and will render additional invoices for the time and expenses incurred.

Third-party verification requests: We will not respond to any request from banks, mortgage brokers or others for verification of any information reported on these tax returns. We do not communicate with third parties or provide them with copies of tax returns.

Records and Record Retention: All of your original records that you provide to us to prepare your tax return(s) will be returned to you after our use. A copy of your income tax returns will also be provided to you. If you e-file your returns, this copy will be in PDF format. You may request a hard-copy in addition to the PDF for an additional fee. If you elect not to e-file, one hard-copy for your records will be provided to you at no additional cost. Our working papers, including any copies of your records that we chose to make and the tax organizer that you complete, are our property and will be retained by us in accordance with our established records retention policy. This policy states, in general, that we will retain these working papers for a period of three years. After this period expires, these files may be destroyed. We will provide copies of such documents at our discretion and if compensated for any time and costs associated with the effort.

Arguable Positions and Reliance on Others: We will use our judgment to resolve questions in your favor where a tax law is unclear, provided there is substantial support for doing so. If there are conflicting interpretations of the law, we will explain the possible positions that may be taken on your returns. We will follow the position you request, provided it is consistent with our understanding of the Internal Revenue Code, tax regulations, Revenue Rulings, Revenue Procedures, Private Letter Rulings and court cases. If the IRS, state or local tax authorities contest the position taken, additional tax, penalties, and interest may be assessed. We assume no liability, and you hereby release us from any liability, including but not limited to, additional tax, penalties, interest and related professional fees.

If you wish to take a tax position upon the advice of others, you agree to obtain a written statement from the advisor confirming that the position will meet the "realistic possibility," "substantial authority," or "more likely than not" standard, as applicable. In preparing your tax returns, we are subject to a diligence as to accuracy regarding reliance on others standard, as defined in Circular 230, 10.37(b). To the extent a position is based upon the advice of another tax advisor, prior to preparing or signing the tax return, AICPA SSTS No. 1 also requires our firm to have a good faith belief that the position has, as a minimum, a "realistic possibility" of being sustained administratively or judicially on its merits, if challenged. Additional charges will apply to such research and related services.

Client Responsibilities

It is your responsibility to provide all the information required for the preparation of complete and accurate returns. We will provide you with a Tax Organizer to help you compile and document the information we need to prepare your returns. You represent that the information you are supplying to us is accurate and complete to the best of your knowledge and that you have disclosed to us all relevant facts affecting the returns. Income from all sources, including those outside the U.S., is required. We will not audit or otherwise verify the data you submit. Although it may be necessary to ask you for clarification of some of the information, we rely upon the accuracy and completeness of the information you provide, both in the Tax Organizer and other supporting documentation and data.

Documentation: You are responsible for maintaining adequate documentation to substantiate the accuracy and completeness of your tax returns. You should retain all documents that provide evidence and support for reported income, credits, and deductions on your returns, as required under applicable tax laws and regulations. You are responsible for the adequacy of all information provided in such documents. You represent that you have such documentation and can produce it, if needed, to respond to any audit or inquiry by tax authorities. You agree to hold harmless our firm and its partners, principals, shareholders, officers, directors, members, employees, agents or assigns with respect to any additional tax, penalties, or interest imposed on you by tax authorities resulting from the disallowance of tax deductions due to inadequate documentation. Certain deductions, such as meals, travel and entertainment expenses, and expenses for business use of autos, computers, and listed property, require strict documentation. Certain non-cash transactions, such as bartering and virtual currency, require reporting. In preparing your returns, we rely on your representations that we have been informed of all such transactions and that you understand and have complied with the documentation requirements for all of your expenses and deductions. If you have any questions about these issues, please contact us.

Personal expenses: You are responsible for ensuring that personal expenses are segregated from business expenses.

Online access to information: To the extent that you provide our firm with access to electronic data via a local or online database from which we download your information, you agree that the data is accurate and complete as of the date and time you authorize it to be downloaded. Documents will be provided to us in PDF format whenever possible and preferably in one PDF document or portfolio. If additional documents are added to a cloud storage service, each group of uploaded documents will be easily distinguishable from previous uploads.

State and local filing obligations: In June 2018, the U.S. Supreme Court reversed the long-standing physical presence nexus standard, significantly changing the ability of state or local jurisdictions to tax individuals and businesses with economic nexus in their jurisdiction. Although primarily a sales tax issue, this has been expanded to include income tax issues and tax issues related to remote workers.

You are responsible for determining your tax filing obligations with any state or local tax authorities, including, but not limited to income, franchise, sales, use, business license, business tangible personal property, or unclaimed property taxes. You agree that we have no responsibility to research these obligations or to inform you of them. If upon review of the information you have provided to us, along with information that comes to our attention, we believe you may have additional filing obligations, we will notify you of this responsibility and ask you to contact us. If you ask us to prepare these returns, we will handle that as a separate engagement.

U.S. filing obligations related to foreign financial assets: As part of your filing obligations, you may be required to make certain information disclosures related to your foreign investments. You are responsible for informing us of all foreign assets owned directly or indirectly, including but not limited to financial accounts with foreign institutions, other foreign non-account investments, and ownership of any foreign entities, regardless of amount.

As part of your filing obligations, you are required to report the maximum value of specified foreign financial assets, which include financial accounts with foreign institutions and certain other foreign non-account investment assets that exceed certain thresholds. You are responsible for informing us of all foreign assets, so we may properly advise you regarding your filing obligations.

These assets include any ownership interests you directly or indirectly hold in businesses located in a foreign country, and any assets or financial accounts located in a foreign country over which you have signature authority. Based on the information you provide, will we inform you of any additional filing requirements, which may include *Form 8938, Statement of Specified Foreign Assets*, and *FinCEN Form 114, Report of Foreign Bank and Financial Accounts*. Failure to file required forms can result in the imposition of both civil and criminal penalties, which may be significant.

Failure to timely file the required forms may result in substantial civil and/or criminal penalties. You are responsible for providing us with complete and accurate information regarding any foreign investments that you have a direct or indirect interest in, or over which you have signature authority during 2021.

Foreign filing obligations: You are responsible for complying with the tax filing requirements of any other country. You acknowledge and agree that we have no responsibility to raise these issues with you and that foreign filing obligations are not within the scope of this engagement.

Virtual Currency: The IRS considers virtual currency (e.g. Bitcoin) as property for U.S. federal income tax purposes. As such, any transactions in, or transactions that use, virtual currency are subject to the same general tax principles that apply to other property transactions.

If you had virtual currency activity during 2021, you may be subject to tax consequences associated with such transactions and may have additional reporting obligations. You agree to provide us with complete and accurate information regarding any transaction in, or transactions that have used, virtual currency during 2021.

Other Income, Losses and Expenses: If you realized income, loss or expense from a business or supplemental income or loss, the reporting requirements of federal and state income tax authorities apply to such income, loss or expense. You are responsible for complying with all applicable laws and regulations pertaining to such operations, including the classification of workers as employees or independent contractors and related payroll tax and withholding requirements.

Gift Tax Returns: Any transfer to an individual, either directly or indirectly, where full consideration (measured in money or money's worth) is not received in return is considered a gift. Under federal tax law, certain gifts are taxable and subject to an annual gift tax exclusion amount. You are responsible for informing us if gift tax returns are required to be filed.

If you received a gift or bequest from a foreign person, estate or trust, you may be required to file a separate IRS Form 3520, *Annual Return To Report Transactions With Foreign Trusts and Receipt of Certain Foreign Gifts* or Form 3520-A, *Annual Information Return of Foreign Trust with a U.S. Owner*.

Ultimate responsibility: You have final responsibility for your income tax returns. We will provide you with a copy of your electronic income tax returns and accompanying schedules and statements for review prior to filing with the IRS and state and local tax authorities (as applicable). You agree to review and examine them carefully for accuracy and completeness. The law provides various penalties that may be imposed when taxpayers understate their tax liability. You acknowledge that any such understated tax, and imposed interest and penalties, are your responsibility, and that we have no responsibility in that regard.

You will be required to verify and sign a completed Form 8879, *IRS e-file Signature Authorization*, and any similar state and local equivalent authorization form before your returns can be filed electronically.

In the event that you do not wish to have your income tax returns filed electronically, additional procedures apply and signatures are required in the Organizer in regards to this matter. You will be responsible for reviewing the paper returns for accuracy, signing them, and filing them timely with the tax authorities.

Timing of the Engagement

We expect to begin our services upon receipt of the completed 2021 Tax Organizer and all tax documents requested either in the 2021 Tax Organizer or by our office.

If your return is electronically filed, our services will conclude upon the earlier of: 1) the filing and acceptance of your 2021 tax returns by the appropriate tax authorities, 2) written notification by either party that the engagement is terminated, or 3) one year from the execution date of this Agreement.

If you have the option to file a paper return and choose to do so, our services will conclude upon the earlier of: 1) mailing or delivery to you of your 2021 tax returns for your review and filing with the appropriate tax authorities, 2) written notification by either party that the engagement is terminated, or 3) one year from the execution date of this Agreement.

Extensions of Time to File Tax Returns

It may be necessary for us to apply for an extension of the filing deadline if there are unresolved issues or delays in processing, if we do not receive all of the necessary information needed to prepare the return on a timely basis, or due to staffing availability. Applying for an extension of time to file may extend the time available for a taxing authority to undertake an audit of your return or may extend the statute of limitations to file a legal action. All taxes owed are still due by the original filing due date. Additionally, extensions may affect your liability for penalties and interest or compliance with governmental or other deadlines.

Our firm will not file these applications unless we receive your express authorization to do so. In some cases, your signature may be needed on such applications prior to filing or payment of tax due must be enclosed with the application. Failure to timely request an extension of time to file can result in penalties for failure to file tax returns, which accrue from the original due date of the returns, and can be substantial. Failure to pay the taxes due by the original due date will result in the assessment of interest and penalties, which also accrue from the original due date of the returns, and can be substantial.

Disclosure of Tax Return Information

Unless authorized by law, we cannot disclose your tax return information to third parties for purposes other than the preparation and filing of your tax return without your consent. If you consent to the disclosure of your tax return information, Federal law may not protect your tax return information from further use or distribution. Disclosure to a third party will not be made without your written consent using a Consent Form provided to you by our firm upon request.

Certain communications involving tax advice between you and our firm may be privileged and not subject to disclosure to the IRS. By disclosing the contents of these communications to anyone, or by turning over information about those communications to the government, you may be waiving this privilege. To protect this right to privileged communication, please consult with your attorney prior to disclosing any information about our tax advice. Should you decide that it is appropriate for us to disclose any potentially privileged communications, you agree to provide us written, advance authority to make that disclosure.

Should we receive any request for the disclosure of privileged information from any third party, including a subpoena or IRS summons, if permitted, we will notify you of any requests prior to responding. You may, within the time permitted for our firm to respond to the request, initiate such legal action as you deem appropriate to protect information from discovery. Unless you promptly initiate such action after we notify you at your last known address, we will release the information requested. In the event you direct us not to make the disclosure, you agree to hold us harmless from any expenses incurred in defending the privilege, including, by way of illustration only, our attorney fees, court costs, outside adviser's costs, or penalties or fines imposed as a result of your asserting the privilege or your directions to us to assert the privilege.

In the event we are required to respond to a subpoena, court order or other legal process for the production of documents and/or testimony relative to information we obtained and/or prepared during the course of this engagement, you agree to compensate us at our hourly rates for the time we expend in connection with such response, and to reimburse us for all of our out-of-pocket costs incurred in that regard.

Penalties and Interest Charges

Federal, state, and local tax authorities impose various penalties and interest charges for non-compliance with tax laws and regulations, including, failure to file or late filing of returns, and underpayment of taxes. You, as the taxpayer, remain responsible for the payment of all tax, penalties, and interest charges imposed by tax authorities.

We rely on the accuracy and completeness of the information you provide to us in connection with the preparation of your tax returns. Failure to disclose or inadequate disclosure of income or tax positions may result in the imposition of penalties and interest charges.

The Internal Revenue Code and regulations impose preparation and disclosure standards with noncompliance penalties on both the preparer of a tax return and on the taxpayer. Unless we have a reasonable belief that any tax position in your return will be sustained on its merits, a preparer penalty will be imposed on us unless that position has a reasonable basis and is adequately disclosed in the return. And, while we might be able to avoid a preparer penalty by adequately disclosing a return position, you might not have to disclose the position in order to avoid applicable taxpayer penalties. If we determine that we would be subject to a preparer penalty by delivering your return to you, you agree to either adequately disclose that position on your return or change the position to one that would not subject us to penalty. If you do not choose to change your position or adequately disclose so as to eliminate, in our sole opinion, our exposure to the preparer penalty, we, in our sole discretion and at any time, may withdraw from the engagement without completing or delivering tax returns to you. Such withdrawal will complete our engagement, and you will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenses through the date of our withdrawal.

Professional Fees

Our fees for tax services will be based upon complexity of the work to be performed, our professional time to complete the work, and on the availability, quality and completeness of your records. We also bill for any out-of-pocket expenses incurred on this engagement, including computer processing charges, copying costs, postage and delivery charges. In addition, this fee depends upon the timely delivery, availability, quality, and completeness of the information you provide to us. You agree that you will deliver all records requested and respond to all inquiries made by our staff to complete this engagement on a timely basis. You agree to pay all fees and expenses incurred whether or not we prepare the tax returns.

Hourly rates vary from \$120 to \$250 per hour depending on the individual providing the services. We reserve the right to increase or decrease our fees based on the value of the services rendered. All invoices are due and payable upon presentation unless you make other agreed upon arrangements. There will be a late charge of \$30 plus 1.5% per month (18% APR) added to all fees paid more than 30 days from the date of billing. Should it become necessary for our firm to incur attorney's or other collection agency fees in order to collect on your unpaid invoice, you will be responsible for reimbursing us for our costs of collection, including attorney fees.

Additional PDF or hard copies of the tax returns will be provided upon request. The minimum fee is \$25 per tax year.

If we elect to terminate our services for non-payment or for any other reason provided for in this letter, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed your return. You will be obligated to compensate us for all time expended, and to reimburse us for all of our out-of-pocket costs incurred on your behalf.

Any litigation arising out of this engagement, except actions by us to enforce payment of our professional invoices, must be filed within one year from the completion of the engagement, notwithstanding any statutory provision to the contrary. In the event of litigation brought against us, any judgment you obtain shall be limited in amount, and shall not exceed the amount of the fee charged by us, and paid by you, for the services set forth in this engagement letter. Our liability for all claims, damages and costs arising from this engagement is limited to the total amount of fees paid to us by you for the services rendered under this agreement.

In the event that we become obligated to pay any judgment or similar award, you agree to pay any amount in settlement, and/or incur any costs as a result of any inaccurate or incomplete information that you provide to us during the course of this engagement, you agree to indemnify us, defend us, and hold us harmless as against such obligations, agreements and/or costs.

This engagement letter is contractual in nature, and includes all of the relevant terms that will govern the engagement for which it has been prepared. The terms of this letter supersede any prior oral or written representations or commitments by or between the parties. Any material changes or additions to the term set forth in this letter will only become effective if evidenced by a written amendment to this letter, signed by all of the parties.

If the tax services and terms outlined are in accordance with your understanding of our engagement, **please sign this letter on the line below designated for your signature and return the original of this executed letter with a completed copy of the enclosed Tax Organizer and your supporting documentation. You should keep a copy of this letter and your completed Tax Organizer for your records.**

If this firm does not receive from you the original of this letter, in fully executed form, but receives from you a completed copy of the enclosed Organizer and/or supporting documentation, then such receipt by this office shall be deemed to evidence your acceptance of all of the terms set forth above. If however, this office receives from you no response to this letter, then this office will not proceed to provide you with any professional services, will not prepare your income tax returns, and will not prepare any requests for Extension of Time to File Tax Returns.

Please return the Tax Organizer, even if you did not complete it. It is helpful to us for organizing your information and determining if anything is missing.

We want to express our appreciation for this opportunity to be of service to you.

ENGAGEMENT LETTER

Yes No

Have you signed and enclosed your Engagement Letter with your Tax Organizer? Our Professional Standards require that this be completed, so please be sure that you have included it with the documents for your tax return preparation.

ELECTRONIC FILING OF TAX RETURNS

Yes No

Have you provided your e-mail address on Form 1, pg 2 and is it legible? We are required to electronically file your tax returns. You are required to review the returns, and sign certain consent forms which need to be returned promptly to us via fax, email or mail. We cannot submit the returns to the government without the signed consent forms. The most efficient method to handle the processing of your return is for a PDF copy of your return to be emailed to you. Please monitor your email account for this correspondence. You will need Adobe Acrobat Reader (it's free) to be able to read the PDF.

Do you want to e-file, but you also want us to provide you a hard-copy of your return in addition to the PDF? Due to supply chain issues and cost increases there is a fee of \$25 for a hard copy if requested in addition to your PDF.

Do you want to e-file, but you do not have a method to receive or print a PDF? We will provide you hard-copies for you to sign & return to us. Should we send the hard copy by mail _____ or you will come to our office _____ to sign the returns?

Do you want to file your returns on paper? **If yes, please read and sign the following E-Filing Op-Out statement. If filing a Married Filing Jointly return, both spouses must sign.**

TAXPAYER E-FILING OPT OUT ELECTION STATEMENT

Pursuant to IRS Notice 2010-85 Sec. 9.04 & 2011-17 Sec 9.04, Rev. Proc. 2011-25 and Substitute VA FORM 8454T

My tax return preparer, a member of the staff of Jennifer A. Jones, CPA, Ltd., has informed me that s/he may be required to electronically file my 2021 federal individual income tax return, Form 1040, Form 1040A, or Form 1040EZ, if s/he files it with the IRS on my behalf. I have also been informed that s/he may be required to electronically file my 2021 state individual income tax returns, if s/he files it with the state government on my behalf. I understand that electronic filing may provide a number of benefits to taxpayers, including an acknowledgement that the IRS and/or state received the returns, a reduced chance of errors in processing the returns, and faster refunds. I do not want to have my federal or state individual income tax returns electronically filed and choose to file my returns on paper forms. I will mail or submit my paper returns with the IRS and state government myself. My preparer will not file or otherwise mail or submit my paper return with the IRS or the state government. I was not influenced by Jennifer A. Jones, CPA, Ltd. or any member of the firm to sign this statement. By signing and dating this statement, based on my personal preferences, I have elected to NOT file my returns electronically.

- Were you notified or audited by either the Internal Revenue Service or the State taxing agency? If so, please include a copy of the notice, information regarding resolution, and other related documents.

- If you have income from self-employment, have you verified that you are in compliance with local and state business licensing, zoning regulations, and registration requirements? Generally, each jurisdiction in which you work, e.g. city, county and state, will have licensing requirements and personal property tax filing requirements.
- If you have income from self-employment or a rental activity treated as a trade or business, have you verified that you are in compliance with Form 1099 filing requirements? Generally, a non-corporate recipient that was paid \$600 or more for services in the course of these activities must be issued a 1099-NEC. Payments to an attorney or medical service provider in the course of these activities are also reportable even if the recipient is a corporation. A 1099-MISC is required to be issued to a non-corporate landlord paid \$600 or more.

CONSUMER USE TAX LIABILITY

- Did you make any out-of-state purchases, such as a buying something on the internet or through a mail order catalog, and did not pay sales tax? Most online retailers collect state sales tax, but if you order from a company that doesn't, you need to pay consumer use tax. If you bought something in another state that does not charge sales tax, but brought the items back to your home, you owe consumer use to your state of residency. If you owe any consumer use tax, please indicate the cost of the items purchased subject to this tax. \$ _____

Yes No

Did you incur a loss on any property located in a federally declared disaster area? If so, your loss may be deductible. If not, it is not deductible.

Did the loss exceed \$500? If so, please provide the date of the occurrence, documentation regarding the loss, the value of the loss, and the amount of any insurance or FEMA proceeds received.

GIFT TAX RETURN REQUIREMENT

Yes No

During 2021, did you or your spouse make any gifts to an individual or a trust, or make contributions to a 529 plan, that total more than \$15,000? If so, a gift tax return may be required. Please provide documentation and information regarding the gift(s), including the date(s) of the gift(s), dollar amount or value of the gift(s), description of the gift(s), the recipient's name, address, SSN, DOB, and relationship to you; whether the gift came from a joint account or if it was from an individual account, which spouse's account. For planning purposes, in 2022 the Gift Tax Exclusion will be \$16,000 per recipient/person.

GIFT, ESTATE AND FINANCIAL PLANNING

Although not required for the preparation of your income tax return(s), now is a good time to review related estate and financial planning matters.

In general, you should review your estate plan at least every five years. You should also consider if changes are needed to your plan documents at other times, such as when there is a death, disability, divorce, marriage, the birth or adoption of a child, a serious illness of a beneficiary or named fiduciary, a substantial increase or decrease in the size of your estate, the purchase or sale of a business, retirement, significant gifting or lending of money to a child, change of residence, or the purchase of real estate in another jurisdiction. Changes in the tax laws may also necessitate that you revisit your estate plan.

If you answer no to any of the following questions; if there have been any changes in your marital status or family members; or if it has been more than five years since your estate plan has been reviewed, you may want to consider reviewing your current estate and financial plans and/or updating your documents.

Do you and your spouse, if married, each have a will? If so, when was it last reviewed? Year _____

Miscellaneous Questions

- If you have a trust, have the titles to the trust's assets been reviewed to insure that the trust has been properly funded and hold those assets that you want subject to the terms of the trust?
- Have the titles to your assets been reviewed to insure that their disposition will be in compliance with your wishes? The manner in which your assets are held determine whether or not they are subject to the terms of your will (and subject to probate), subject to the terms of your trust, or pass directly to another party. Joint tenancy, beneficiary designations, Payable on Death (POD) and Transfer on Death (TOD) designations will override any instructions in your will or trust documents.
- Do you and your spouse, if married, have Durable Powers of Attorney, Medical Directives, Living Wills, and Medical Powers of Attorney? When were these documents last reviewed? Year _____
- Do your doctors and the people named in these documents have ready access to them and have you discussed the provisions with them? A power of attorney for health care, similar to a power of attorney for property, allows you to name an agent who has the authority to make health care decisions on your behalf, up to and including the end-of-life decisions. A living will is meant to supplement the power of attorney for health care by allowing you to specify your end-of-life decisions for life sustaining treatment in writing, which then acts as a directive to your physician on what treatment you do, or don't, want performed.
- Have you made provisions in your Durable Power of Attorney and estate documents for your representative, successor trustee or executor to have access to your electronic accounts and passwords?
- Have you kept and maintained a comprehensive inventory of digital assets/online accounts and how to access each asset/account? Some examples of electronic accounts include financial accounts (e.g., online banking, epay, Paypal, eTrade, brokerage accounts), social media accounts (e.g., Facebook, Twitter, LinkedIn, Snapchat), data stored in a "cloud" (e.g., Google Drive, Dropbox), online gaming and gambling accounts (e.g., World of Warcraft, PokerStars), online media (e.g., Amazon Kindle e-books, Google Photos, iTunes songs and movies), blogs, online loyalty and rewards program benefits, domain names, online businesses, and even digital wallets. For more info on methods to best handle digital assets, see <http://www.vsb.org/site/sections/trustsandestates/summer2016a>
- Have you used an online tool to direct the custodian of the digital asset to disclose to a designated recipient some or all of your digital asset? The use of an online tool overrides any contrary information provided in a will, trust, power of attorney or other record.
- If an online tool is not available, have you provided the proper authorization using the required language under the Uniform Fiduciary Access to Digital Assets Act to permit a designated recipient access to the digital asset? Virginia residents <https://law.lis.virginia.gov/vacode/title64.2/chapter1/section64.2-116/> or see <https://www.nolo.com/legal-encyclopedia/ufadaa.html> and also see <https://www.ncsl.org/research/telecommunications-and-information-technology/access-to-digital-assets-of-decedents.aspx>

Miscellaneous Questions

- Have you used an online tool for password storage and online afterlife companies (such as PasswordBox, SecureSafe, Entrust, or LastPass) that may allow one to name a digital executor?
- Do you have a hard copy of your passwords in a secure place for your representative, successor trustee or executor to have access to your electronic accounts and passwords?
- Do you have a backup of your digital assets (such as photos and videos) on a portable, encrypted hard-drive and provided access instructions? Have you stored the hard-drive in a secure location with other estate planning documents.
- Have you reviewed and updated the named beneficiaries on your and your spouse's, if married, life insurance policies, IRAs, and pensions to insure that the funds will go the proper person(s) or entity? This is especially important after a major life event like a marriage, divorce, death, or birth.
- If someone other than your current spouse is the beneficiary of your account in your employer's retirement plan, has your current spouse completed the plan's required spousal consent documents to confirm this?
- If you have any minor children, have you named a guardian for the minor children?
- If you have any minor children, have you named a custodian to manage or made other provisions for the management of their financial assets?
- Is all of the real estate you own located only in your state of residency?
- If you or your spouse own real estate that is located in a state other than your state of residency, have you set up a revocable trust or other means for this real estate to avoid an ancillary probate process in that state?
- Have you and your spouse, if applicable, checked and verified your Earnings Records with the Social Security Administration?
- Have you and your spouse, if applicable, set up your online account(s) with the Social Security Administration?
- If you are not receiving Social Security benefits, have you and your spouse, if applicable, reviewed your social security benefit options, including early retirement, delayed retirement, disability benefits, survivor benefits options and, if unmarried but previously married at least 10 years, divorced spouse benefit options?
- Have you and your spouse, if applicable, and your financial advisor reviewed your strategy for the following: Roth conversions; advantages and disadvantages of consolidating each spouse's IRAs and retirement accounts; sources of retirement income by account and investment type; investment diversification: tax efficiency of investments; funding for long-term care; and charitable gifts of appreciated assets?

Miscellaneous Questions

If you or your spouse are approaching your 65th birthday, have you applied for Original Medicare Part A, B and D, or Medicare Advantage Part C? Individuals already receiving Social Security benefits are automatically enrolled in Medicare Part A and Part B in the month they turn age 65. Individuals who are close to age 65 and not receiving Social Security benefits must apply for Original Medicare Parts A and B by contacting the Social Security Administration. Parts C and D are private plans run by insurance companies and you must contact the insurance company for these benefits. **Individuals who do not enroll in Parts A, B, C or D when they are originally eligible at age 65 may be subject to significant penalties. Generally, your initial enrollment period extends from three months before the month of your 65th birthday to three months after the month of your 65th birthday. This applies regardless of your full-retirement age. An exception to this rule is if you or your spouse is currently employed, participating in that employer's group health insurance program, and that employer's plan covers at least 20 employees. If you and/or your spouse meet this exception to the general rule because your and/or your spouse have coverage based on current employment, you need to sign up for Medicare during a Special Enrollment Period. This Special Enrollment Period is the eight-month period that starts the month after employment ends or the month after the group health insurance based on current employment ends. COBRA and retiree health plans are NOT considered coverage based on current employment.**
